### THE FAMILY LIFE.

Its Normal Restraints Make Man the Master of Himself.

Modern assailants of the family suppose that by destroying it they can never taughed before. Yes, it's oceans emancipate the individuals who come of girls riding billows of joy-that's In their delirium they conceive that the goal of life is the throw. that "Roping Her Romeo" is. ing off of all restraints, says William Roscoe Thaver in Harper's Magazine. Nothing could be more mistaken,

Normal restraints, those which build self, are really the means by which he gets his true freedom. A little water in a boller will generate enough steam to run a locomotive; the same volume on the ground is a puddle and no more.

Discipline is the barrel of the gun. the rudder of the ship. The same law applies to human beings, and such an institution as the family has proved itself indispensable to the highest deelopment of its members.

The man who thinks that by easting off its ties be gets a larger freedom scent implies. He retreats toward the plane of the beast, out of which it has been man's mission to rise and climb He accepts the bondage of a more insistent selfishness.

Amalle, in what was once the Danish West Indies, are two old towers comsembly by Rev. Harlan Bailey and as a deserter at Jackson, Cal. He ed cancelled by the adjutant general and Blackbeard's castle.
